Small Project Component of the Enabling Accessibility Fund

The Enabling Accessibility Fund (EAF) supports community-based projects across Canada that improve accessibility, remove barriers, and enable Canadians with disabilities to participate in and contribute to their communities.

The EAF provides grants of up to \$50,000 per project to improve the built environment through renovation, construction and retrofitting of buildings; modification of vehicles for community use; and through the provision of accessible information and communication technologies.

Deadline: September 23, 2011

More information: [Small Project Component of the Enabling Accessibility Fund](#)

Eligible activities include, but are not limited to:

- constructing an interior or exterior ramp,
- installing wider doors or installing automated door openers,
- raising or lowering sinks and/or counters,
- improving lighting and increasing colour contrast,
- building an accessible washroom,
- installing accessible door handles and light switches,
- installing an elevator or lift,
- providing computer enhancements such as interactive speech capability,
- installing a wheelchair lift to a community-based vehicle, and
- any other activities that contribute to creating or enhancing accessibility for people with disabilities and deemed acceptable by HRSD.

Who can apply

The following types of organizations can apply:

- Not-for-profit organizations,
- Small municipalities (with a population under 250,000 as per census data),
- Small private-sector organizations (fewer than 50 employees and under \$5 million in gross revenue per year),
- Colleges and universities,
- Territorial governments, and
- Aboriginal governments.
