

Jerome was first elected to our Board in June 2009. He's been an ardent supporter of Sagehill, of small business, and of the

communities in our region. We don't expect that will ever change!

During his term with Sagehill he willingly volunteered more than 200 hours by attending meetings, events, and workshops. Thanks so much!

Jerome's passion, of course, is with his family and with his business, Mumby Manufacturing Inc. (www.mumbyhitches.com) so we understood when he told us he would not be able to accept a nomination to a second term. Because we understand doesn't mean we won't miss him because we certainly will!

Thanks again, Jerome. It certainly was our pleasure! Best wishes.

From: All of us @ Sagehill!
