All of us @ Sagehill!

Carol was first elected to our Board in June 2008.

She has been an enthusiastic and dedicated supporter of Sagehill, of small business, and of the

communities in our region.

As a member of our Board Carol volunteered more than 500 hours of her time to meetings, events, and workshops being held by Sagehill. Thanks so much!

While living in our region Carol operated Ravenheart Farms Equine-Assisted Learning Centre & Retreat near Fulda. Recently, adventure called and Carol made the decision to sell her property and take up a new challenge near Kamsack.

Carol's final Board meeting with us was in September.

Thanks again, Carol. It certainly was our pleasure to work with you these past three years!

Best wishes.
